(Designation) 423(2) of the Madras Local Boards Act 1920.

To The Secretary to the Government of Madras,

Law(Education) . . . . Department.

Sir,

I have the honour to state that the Education tax collected by this Taluk Board during the official year 1923-24 was Rs 7212-9-1. The Taluk Board is therefore entitled to get, during the current official year, Government contribution under section 37 of the Madras Elementary Education Act, equal to that amount viz. Rs 7213/-. Out of this amount the Taluk Board had already drawn a sum of Rs 5366/- as sanctioned in G.O.No. 653 Misc. Law (Education) department dated the 29th April 1924, and the balance of Rs 1847/- still remains unpaid to the Taluk Board. I now find from G.O.No. 165 Law (Education) dated 5th February 1925, that instead of paying the said balance Rs 1847/-, the Government have ordered the recove

of a sum of Rs 1675 from the subsidy payable to this Board under proviso to section 37 of the said Act, on the ground that it is in excess of the sum actually payable under -- section 37 of the Act. This is apparently due to the -- presumption of the Government that subsidy under section 37 was paid to the Taluk Board in respect of the unauthorised collection of Education tax of Rs 3521-8-1, collected by the Taluk Board in April and May 1921, and refunded by it to the Government in 1923-'24 as per G.O.Nos. 1467 Law (Education) dated 1st.December1922 and 181 Law, Misc, -- (Local Self Government) dated 19th January 1923. But as a matter of fact, the subsidy paid to this Board in respect of the amount refunded was subsquently deducted from the subsidy paid to the Taluk Board in 1922-23. (Vide -- statement enclosed). Such being the case, the Taluk Board should get this year Rs 7213/- (equal to the Education tax) collected in 1923-'24 as subsidy under section 37.-- But as the Taluk Board has actually drawn Rs 3691/-(----- (Rs 5366/- - Rs 1675/-), I request that the Government -- may be pleased to sanction the payment of the balance -- Rs 3522/- as subsidy under section 37.

Sir,

Your most obedient servant,

Vice President.

of the Taluk Board, Udipi. The orders in G.O. No. 309 Law (Edn) dt 3.3.25 were based on this amount. The P.T.B. says that the amount of tax realised in 1923-24 was Rs 7213- In the circumstances explained by the President, it appears the President's figure is correct and the board is entitled to a further contribution of Rs. 3522 in respect of 1924-25. This amount, if admissible, may be paid to the board ~~along with the advance of contribution payable under sec. 37 for the current year.~~ in the current official year.

The total amount of Education tax collected by the Udipi Taluk Board during 1923-24 was Rs.7,212-9-1. As the contribution paid on account of the unauthorised collection of 1921-22 was adjusted under G.O.No.1595, Mis. Law (Education), dated 12th November 1923, the contribution for 1923-24 is due on the full amount of Rs.7,212-9-1. The present claim of the Taluk Board for the contribution of Rs.3,522 is therefore correct.

ORDER.

No. 830, dated 18-5- 1925

The President, Taluk Board, Udipi reports that the amount actually credited in the accounts of the taluk board as realisations from the education tax in 1923-24 is Rs. 7,782-13-3 and not Rs. 3,691 as stated in the annexure to G.O. No. 309 Law (E&n) dt. 3.3.25 in G.O. No. 653 Law (E&n) dt. 29.4.24 a sum of Rs. 5,366 was paid to the taluk board as advance contribution under section 37 of the Elementary Education Act and out of this amount Rs. 1675 was recovered in G.O. No. 165 Law (E&n) dt. 5.2.25. Thus only a sum of Rs. 3691 has been paid to the taluk board as Govt. contribution

of the Ely. Edn. Act

~~respecting~~ under section 37 in respect of the education tax realised in 1923-24. A Sum of Rs. 3522 is therefore still due to the Taluk Board, Udipi, in respect of the subsidy (non-voted) payable to the Board for 1924-25 under section 37 of the Ely. Edn. Act. The Govt. sanction the payment of this sum to the taluk board in the current official year. The A. G. is requested to arrange for the payment of the ~~same~~ amount. The President should present the necessary bill at the treasury ~~for~~ obtaining payment or adjustment of the amount.

3. The expenditure will be met from the provision of Rs. 37,02,300 in the current years budget estimate under "31 - C. (a) - Education - Primary - Grants to local bodies for primary education - Non-Voted - Recurring."
